

The image features a red Q decoder module with a small LCD screen displaying various control functions like 'precisionServoControl', 'EuroControl', 'pulseControl', 'perfectSignal', 'perfectLight', 'precisionSteering', and 'dynamicsPower'. The module is placed in front of a blurred red and white train, suggesting motion. The background is a large, stylized red 'Q' shape on a grey gradient background.

The image shows a dark grey rectangular card with rounded corners. In the center, the word "S P I E L W A R E N" is written in a white, sans-serif font. Below it, the company name "REIMANN" is displayed in a large, bold, green, blocky font. To the right of the text, there is a white illustration of a bicycle with a small box attached to the front. The box contains the text "seit 1977". At the bottom of the card, the slogan "Ihr Onlineshop zum Anfassen." is written in a smaller white font. The card is surrounded by a thin white border.
